- Make business and personal connections.
- Learn business skills through hands-on programs at both the local and Corporate level.
- Become involved in local philanthropic activities.

CONNECTIONS	CAREERS	COMMUNITY
<p>Connections are more than networks. They are being part of an organization that adds real value to your life through relationships, business contacts, and the philanthropic work you do in your community.</p> <p>EWI’s annual conferences, career workshops, and ongoing community service all develop and deepen connections.</p> <p>EWI fosters a sense of connection among its member firms and representatives. Our representatives say that their feeling of being part of something is one of the greatest benefits of membership.</p>	<p>EWI enhances careers by providing continual opportunities to build relationships and hone professional skills in some of the following areas:</p> <ul style="list-style-type: none"> • Public Speaking • Budgeting • Strategic Planning • Time Management • Interpersonal Skills • Sales and Marketing • Financial Planning and Analysis • Business Writing Skills • Parliamentary Procedures • Program and Event Planning <p>Member firms in turn benefit from their employee representatives who bring new skills to their workplace, as well as new networking opportunities due to their membership in EWI.</p>	<p>EWI gives back to the community by focusing on projects to advance education and literacy.</p> <p>EWI knows education opens the door to opportunities. EWI funds hundreds of awards annually throughout the nation to assist both traditional and non-traditional students.</p> <p>EWI of Minneapolis focuses on assisting local non-traditional students and also advances the cause of literacy in different ways.</p>
