

February 17, 2010 Chapter Meeting

“Speed-Connect”

Facilitator, Rhoda Ailts, of member firm, Reit Creations, Inc.

PLEASE BRING YOUR BUSINESS CARDS

After dinner, we will recess to open tables in the room. Table leaders will have been selected and guided before the event. Everyone will take a seat at one of the tables.

The purpose of the event is to share information so there will be available both in advance of the meeting and on the tables at the meeting, sheets with questions that you may choose to use as prompts in talking about your company and yourself.

A FEW SUGGESTED SUBJECTS : Your name and firm you represent, firm’s primary product or service, Your position, how my relationships can benefit both of us, number of years of membership in EWI, board and committee positions you’ve held and interesting facts, Why I renewed my EWI membership for 2010, A favorite business experience or relationship resulting from EWI

Each person will have one minute to talk. It may seem that one minute isn’t very long to talk; it is surprising how much you can say in one minute if you’re focused on what you want to communicate. The facilitator Rhoda Ailts will direct the movement of people from that point. The goal is to be connected with as many people as possible.

Because of our SpeedConnect networking event, there will be no mixer with registration.
